The parade plane is looking for a new home. The current location at the EAA building at VDF will soon be gone. Kathy (Sun n Fun) has indicated they may have a place.

### **New Business:**

The NOTAM server will be out of service on 5/28/11 due to the relocation of the server to Oklahoma.

Dick Arens gave a report from Stan Glantz, Jeff's father in law, that the family of Jeff Ulrich went to Wiregrass Ranch High School to present a scholarship in Lexi's name. On June 11<sup>th</sup>, one year after the accident, the family and a few friends are meeting at the accident site to present a scholarship to a student from the school that the plane hit.

### **Social Report:**

This year saw 20 members attend the 2011 Conch Republic Independence Day Celebration in Key West. We also had the first canine troops in attendance: Willow and Bella Chiodo who did exceptionally well in the parade on Thursday. YMA finished up with a 3 ship formation support during the naval battle on Friday.

YMA received info on the 2011 Heart Breakers Ball hosted by the Thieves of San Lorenzo. The theme is “Phantom of the Opera” and will occur on June 18<sup>th</sup>. See <http://thievesofsanlorenzo.com/> for more information.

We are still looking for other eateries to hold our meetings in the north county area. Barnacle has been very good to us and we’ll return there for south county meetings.

The NOTAM server will be out of service on 5/28/11 due to the relocation of the server to Oklahoma. NOTAM info must be received by calling FSS.
